

# Height Adjustable Stand

LIFT

The Height Adjustable Stand LIFT incorporates the components: projector, ceramic steel whiteboard, height adjustable mobile stand, which together allow obtaining higher levels of interest and attention in different contexts, such as presentations, meetings or classes and encouraging collaboration among colleagues. Easy and functional, the Height Adjustable Stand LIFT allows full mobility and height adjustment of the whiteboard, without the need to adjust other equipment

## Features and benefits

- Universal stand compatible with all IWB, VPI, and whiteboard in the market
- Mobile or wall mounted
- Integrated VESA mount for LCD
- High resistance with steel tube structure and epoxy powder coating
- Electric Height adjustable with remote
